

Welcome to the Mobilizing Volunteers Micro Grant Program!

This program aims to support and encourage local volunteer projects through the provision of micro grants. Organizations should submit an application that will improve the Cape Cod community landscape, bring attention to volunteerism and engages community members of all ages. Organizations can be non-profits, schools, Councils of Aging, parent/youth organizations or other community groups.

Micro Grant applications are accepted on a rolling basis. Every effort should be made to apply at least 2 weeks prior to the project's start date.

Awarded projects could receive funding between \$500- \$2,500 and are allowed one year to fully complete the project.

Examples of Eligible Projects:
